Tannsmore Close, Hemel Hempstead

Located in a quiet neighbourhood in the sought-after area of Adeyfield, this spacious detached house offers massive renovation potential. With three bedrooms, including a good size master bedroom and two small double bedrooms, this property has endless possibilities.

The property currently requires renovation with plenty of scope to create a stunning living space that reflects your personal style, aided by the potential to extend. The large garage offers a blank canvas, perfect for transforming into a den, office, or even an additional bedroom. A short drive from the M1 motorway and Hemel Hempstead train station with its fast and frequent service to Euston, making this property an excellent choice for families and professionals alike.
