Lyme Avenue, Berkhamsted

Nestled on a peaceful private road, this beautifully presented four-bedroom detached home offers a perfect blend of contemporary style and practical family living. With a private driveway, spacious open-plan interiors, and a fully landscaped garden, this property is ready to move straight into.

From the moment you step inside, you're welcomed into a bright and inviting open-plan living area that has been thoughtfully designed to accommodate everyday living and entertaining. The heart of the home is the stunning kitchen, fitted with sleek white gloss units and finished to a high specification.

A contemporary induction hob and double oven sit seamlessly within the units, while a large breakfast island provides both a practical workspace and a casual dining spot. The kitchen also includes a fitted water softener, offering added convenience. The kitchen opens into a generous living area, flooded with natural light thanks to Velux roof windows and French doors that lead directly out onto the rear garden. Underfloor heating runs throughout the ground floor, adding a touch of luxury and comfort all year round.

A separate snug room offers a quiet retreat, ideal as a home office, playroom or reading space, while a utility room and a downstairs cloakroom provide additional practicality for busy family life. Upstairs, the principal bedroom is a relaxing haven, complete with built-in wardrobes and a stylish en-suite shower room. Two further double bedrooms offer ample space for family or guests, and a fourth smaller room.

Outside, the rear garden has been carefully landscaped for low-maintenance enjoyment. A raised decking area is perfect for al fresco dining, while artificial grass keeps the outdoor space looking smart and tidy throughout the seasons. At the rear of the garden sits a detached studio room, ideal for use as a home office, gym, or creative space. With the addition of running water, this space could even be converted into a self-contained annexe or guest suit

Please note we have not tested any apparatus, fixtures, fittings, or services. Interested parties must undertake their own investigation into the working order of these items. All measurements are approximate and photographs provided for guidance only.
